

TUSK[®]

HEAVY SERIES
SUPER HEAVY SERIES
FLOOR MACHINES

The most difficult jobs require machines built for the challenge – introducing TUSK. Geared for extra Heavy Duty performance, Heavy and Super Heavy Series 17" and 20" machines are the next step up from our Pro Series machines. The Tusk workhorse machines feature heavy-duty, one piece cast base assemblies and all metal construction with polished aluminum and chrome finishes.

Our Tusk Heavy and Super Heavy Series floor machines are equipped with an extra heavy duty gear design, providing superior performance for the toughest of extreme operations. A triple planetary gearbox with steel coupler gives you longer service life than other gear drives. Tundra floor machines are also available in 230V, 50 hz electrical systems. All Tundra floor machines include pad driver.

The Heavy Series

- 1.5HP, AC dual capacitor induction motor
- TEFC motor cooling
- 66 motor frame and chassis
- 175 RPM speed

This extra Heavy machine can handle the most difficult jobs;

- Diamond and Stone polishing
- Wood Floor sanding
- Stone and Concrete grinding

T17 Heavy #B001523
List Price: \$1594.00

T20 Heavy #B001512
List Price: \$1637.00

The Super Heavy Series

- 1.5HP, AC dual capacitor induction motor
- TEFC motor cooling
- 180 motor frame and chassis
- 175 RPM speed

This Super Heavy machine can handle the most difficult jobs;

- Diamond and Stone polishing
- Wood Floor sanding
- Stone and Concrete grinding
- Mastic removal

T17 Super Heavy #B001518
List Price: \$1776.00

T20 Super Heavy #B001516
List Price: \$1819.00

5 - year Motor, Gearbox
Chassis Limited Warranty
